## APPLICANT'S SUMMARY OF RECORD OF INTERVIEW

This correspondence is a response to the summary of interview request and interview summary form PTOL-413 mailed by the UPSTO on December 5, 2005 with a date of one month from the mailing date to respond. A summary of the telephonic interview held on November 30, 2005 regarding application 10/801,520 corroborates examiner Floods review and is as follows:

(A) a brief description of the nature of any exhibit shown or any demonstration conducted; N/A

(B) identification of the claims discussed; All pending claims

(C) identification of specific prior art discussed; N/A

(D) identification of the principal proposed amendments of a substantive nature discussed, unless these are already described on the Interview Summary form completed by the examiner; Agreement with respect to the claims was reached as per examiners summary.

(E) the general thrust of the principal arguments of the applicant and the examiner should also be identified, even where the interview is initiated by the examiner. N/A

(F) a general indication of any other pertinent matters discussed;

(G) if appropriate, the general results or outcome of the interview; agreement was reached that applicant indicated that the pending claims would be cancelled and new claims directed to composition and/or method of use would be newly added. And, an amendment adhering to this agreement has been submitted previous to this date.

(H) in the case of an interview via electronic mail, a paper copy of the Internet e-mail contents MUST be made and placed in the patent application file as required by the Federal Records Act in the same manner as an Examiner Interview Summary Form, PTOL 413, is entered. N/A
